How to access eBooks in Project Muse

1. Type your search terms/keywords into the search box and click on the magnifier symbol:

2. On the search results page, tick the following boxes: ‘Only content I have full access to’ and ‘Books’ (located at the top left of the page).

3. To access the book, either click on the book image to get access to all of the book content, or click on ‘+ Show more results from this title’ in order to access the chapter PDFs that are relevant to your search:

4. It is also possible to browse the books by research area. Click on the ‘BROWSE’ button and then select your area of research:

5. Follow step 2 again in order to select books and full-access content. Click on the book title to get access to all the chapter PDFs.
